

Notification of night work – Randwick

In planning for Tomorrow's Sydney we are building a new light rail line to provide fast, reliable public transport from Circular Quay, through the CBD, to Kingsford and Randwick via Surry Hills, Moore Park and Kensington.

Standard work hours are Monday to Friday 6am to 6pm and Saturday 8am to 5pm. This notification is for approved work that falls outside the standard working hours. This work will be carried out on the below dates and times to minimise disruption to traffic and to maintain the safety of construction work, residents, businesses and the general public.

Details of work activities

Work will take place at the following locations and times:

- Stormwater work on High Street, **from Monday 20 February to 20 March, 9pm to 5am**. Activities include service investigations, installation of new stormwater pipes, construction of stormwater structures and pavement restoration.

You may experience some noise and vibration during this work. High noise activities include, saw cutting and jack hammering will not take place for more than two consecutive nights (weather and traffic permitting). Respite periods to mitigate impacts to residents during noisy activities.

Equipment and vehicles for this work may include radar detection and survey equipment, concrete trucks and pumps, flood lights, vacuum excavation trucks, coring and drilling machines, excavators, cranes, saw cutters, corers, tipper trucks, hand tools, water carts, milling machines, rollers and traffic control vehicles.

Traffic and pedestrian changes

For the latest information on traffic conditions, visit livetraffic.com or download the Live Traffic NSW App.

Work will involve some lane closures under traffic management. Motorists will still be able to travel in both directions along Arthur Street and Belmore Road, with only some minor delays expected. Where required, traffic control will be in place to direct motorists and pedestrians safely around the operations. Access for emergency services will be maintained at all times.
