Notification of road closure and continuous weekend works
High Street, between Botany Street and Wansey Road, Randwick

In planning for Tomorrow’s Sydney we are building a new light rail line to provide modern, reliable and sustainable public transport that will transform services from Circular Quay and the CBD, to Kingsford and Randwick via Surry Hills, Moore Park and Kensington.

High Street, between Botany Street and Wansey Road, will be closed to traffic from 10pm Friday 29 June until 5am Monday 23 July 2018. This notification is to progress light rail construction works at this location.

Details of work activities

Construction work will take place on High Street between Wansey Road and Botany Street daily between 6am and 10pm, Monday to Saturday during this period. These works will progress pouring of UNSW light rail stop slabs and installing OCS pole foundations.

Continuous work will also take place at the intersection of High Street and Botany Street each weekend during this period from 10pm Friday until 5am Monday.

Work includes saw cutting and removal of road pavement, excavation, utility identification, protection and/or relocation, transportation of excavated materials, traffic signal and signage work, barrier adjustment, line marking, waterproofing, concrete pouring, rail/track installation, welding, compacting, paving, and reinstatement work including road surfaces and footpaths.

Equipment and vehicles for this work may include saw cutters, concrete trucks and pumps, road saws, profilers, excavators with hammer attachment, road mills, vacuum trucks, generator powered lighting towers, trucks, cranes, piling rigs, augers, handheld vibrating plates, welding equipment, compactors, rollers, disposal trucks and handheld jackhammers and power tools.

Noise and dust: you may experience some noise and vibration during this work. Noise blankets will be used where possible to reduce impacts to nearby properties during noisy activity. High noise activities such as saw cutting and jackhammering will take place for up to three consecutive hours at a time.

Traffic and pedestrian changes

For the latest information on traffic conditions, visit livetraffic.com or download the Live Traffic NSW App.

Please note the following traffic arrangements will apply from 10pm Friday 29 June until 5am Monday 23 July:

- High Street will be closed between Botany Street and Wansey Road. There will be no westbound vehicle access onto High Street from Botany Street.
- Traffic travelling westbound on High Street towards the Botany Street intersection will be diverted via Arthur Street and Wansey Road.
- Wansey Road will be open to traffic in both directions between High Street and Arthur Street.
- Botany Street will be reduced to one lane in each direction over weekends.
  - Botany Street will be reduced to one lane only through which both northbound and southbound traffic will travel under the direction of traffic control during the following times:
    - Friday and Saturday nights, between 10pm and 5am
    - Sundays from 5am until 5am the following Monday
Pedestrian access for local residents into private properties will be maintained.
Traffic management will be in place to assist motorists, pedestrians and cyclists with the temporary traffic arrangements. Access for pedestrians will be maintained.
Drivers are encouraged to visit livetraffic.com for up-to-date information about traffic changes and advised to use alternative routes where possible.

**Public transport and taxi impacts**

The southbound bus stop on Botany Street after High Street will be relocated approximately 40 metres south. There will be no impacts to bus stops for services 348, 370, 400, 410, 891 and 898 travelling through Randwick. However, bus routes will change slightly to align with the detour. Please visit www.transportnsw.info for further information on public transport and timetabling.
